2018

## Meet some of the New York Bar's most talented lawyers, who just happen to be women

The 100 New Yorkers named to the inaugural list of Leading Women Lawyers in New York City, powered by *Crain's* Custom, are trailblazers who found multiple paths to excellence. Some are partners and practice leaders at the city's big law firms, others corporate counsel at Manhattan companies. Some unabashedly champion their fellow minority female attorneys, while others feed their passions for public service by donating their time generously to pro bono causes. These are women who juggle both distinguished careers and exceptional civic and philanthropic activities.
